

# Certificate of Registration

## QUALITY MANAGEMENT SYSTEM - EN 9100:2018

This is to certify that:

Aalberts Surface Technologies Heat Ltd  
Letchworth Plant  
Blackhorse Road  
Letchworth  
SG6 1HD  
United Kingdom

Holds Certificate Number:

FM 11927

and operates a Quality Management System, with a Multiple site certification structure, which complies with the requirements of EN9100:2018 (technically equivalent to AS9100D and JISQ9100:2016) and is assessed in accordance with EN 9104-001:2013 for the following scope:

**The provision of heat treatment and associated surface treatment processes for ferrous & non-ferrous materials to include the nitriding of components & equipment by the gaseous, automated gaseous, and (Ion) plasma nitriding techniques, post oxidation, annealing, bright annealing, case hardening, carburizing, carbonitriding, nitrocarburising, normalizing, solution and precipitation treatments, hardening and tempering, salt bath treatments, cryogenics (subzero) treatment, stress relieving and vacuum heat treatment, including vacuum brazing, and low pressure carburizing, all to national, international, customer specification.**

For and on behalf of BSI:

Matt Page, Managing Director Assurance - UK & Ireland
